Rationale
In accordance with legislation concerning dress code policy in public schools under the Education Act, Paralowie R-12 School Governing Council with support from the Principal and the school community has adopted a Uniform Policy. The term uniform covers both the general school uniform and the sports/PE uniform. It is expected that all students will comply with the uniform policy.

Purpose
- to provide a safe school environment.
- to project an identification with the school and a positive school image.
- to develop a high standard of appearance and neatness and to remove one form of peer pressure by ensuring equal status amongst students.
- to develop a social and educational environment favourable to learning and acceptable forms of behaviour.

To achieve these purposes, the following guidelines apply:
- wearing of the uniform will enable the recognition of students on school grounds and the identification of strangers.
- choice of uniform items will take into consideration cost, availability, serviceability, safety factors, identifiability with the school.
- the uniform will be worn correctly at all times at school. It is expected to be clean, tidy and in a state of good repair.
- written applications for exemption on cultural, medical or religious grounds only will be considered.
