Paralowie R-12 School Fundraising for UNICEF.
We CAN make a difference.

Paralowie R-12 School is striving to help make a difference to the lives of children around the world by raising money for UNICEF.
UNICEF is the United Nations Children’s Fund. UNICEF’s vision is of a world where the basic rights of every child will be met.
UNICEF works in over 190 countries, including Australia, to promote and protect the rights of children in the following areas:
• health and nutrition
• clean water and sanitation
• basic shelter and education
• protection from violence, exploitation, and HIV

Through contact with UNICEF, the lives of millions of children have been changed for the better. Every donation can help UNICEF make a big difference.
The money we raise can help UNICEF provide the following:

$20 provides two long-lasting insecticidal mosquito nets, protecting families from malaria that kills an African child every 30 seconds.

$250 will provide 506 sachets of Plumpy’Nut, a vitamin-rich peanut paste that has been specially developed to treat acutely malnourished children. Just one sachet can save a child’s life - that’s a life saved for less than 50 cents!

$503 will provide a water pump, allowing the whole community to enjoy clean and safe water. Not only that, but women and children will no longer need to walk many kilometres daily to fetch water.

$65.51 will provide a School-in-a-bag with individual school supplies for 40 students and one teacher. Each student receives a carry bag, ruler, two pencils, exercise book, eraser, sharpener and box of colouring pencils - the basic supplies for a good education.

$6,000 will provide 2 maternal health kits to completely equip 2 maternity wards to deliver up to 100 babies.

$2,000 will provide 6,450 measles vaccines to immunise children for life against the deadly disease which steals 450 lives every day.

$250 will provide 506 sachets of Plumpy’Nut, a vitamin-rich peanut paste that has been specially developed to treat acutely malnourished children. Just one sachet can save a child’s life - that’s a life saved for less than 50 cents!

$6,000 will provide 2 maternal health kits to completely equip 2 maternity wards to deliver up to 100 babies.

If you would like to contribute as a stallholder we would love to hear from you.

An application form with more information is available for collection from Paralowie R-12 School’s front office.
