

COMMUNITY CENTRE UPDATE DECEMBER 2018 EDITION

This has been a very special time for us with so many successful activities and programs. It is delightful to see enthusiastic parents joining in, learning new skills, gaining confidence and feeling part of our school community.

Our special highlight was hosting the launch of Community Hubs Australia in SA. Sonja Hood, CEO welcomed guests from a range of organisations and schools. Our Bhutanese parents presented a heartfelt song and dance to entertain the guests. There was much excitement about the future development of the Hubs in SA and the great work that will be achieved supporting our families.

Community Hub Activities

Our program is growing, with many new parents joining in English classes, Citizenship Group and Playgroup/Parent Group.

ENGLISH CLASSES

This term we welcomed our new English teachers, Steph and Liz, who have settled in well. We thank them for their contributions to our English program and look forward to building on their great work next year. Participants received Certificates to acknowledge their great work and progress at the End of the year Celebration.

PLAYGROUP / PARENT GROUP

Parents and children enjoyed the variety of activities, from pizza making to singing, drawing and playdough creations. Our aim is to provide meaningful learning activities that help children develop skills and confidence, and have lots of fun too!

COOKING / SHARING SPECIAL RECIPES

Dumplings Anyone!

End of Year Celebration

It is such a delight to celebrate and acknowledge successes, achievement, friendships. So many adults gained ICT skills and English language skills which will assist in their pathways to employment and further learning. Certificates were presented to all participants, and we congratulate those who worked hard throughout the year and demonstrated positive progress. We also acknowledged those who gained their Citizenship, after all their efforts throughout the year.

2018 Adult Learning Awards

Congratulations to our 3 award winners – *Mahparwar, Chitra and Latifa*. Their determination, fantastic attendance and amazing persistence are an inspiration to us all.

Congratulations to all our participants in 2018, who were awarded Certificates to acknowledge their hard work, and their achievements. We also

acknowledge that this training is funded through the Government of South Australia.

2018 Community Centre Award

This year we congratulate Tammy Smith and Regina Taban who are our 2018 award recipients. As a Centre we value and celebrate team work and dedication, and very much appreciate the special efforts of Tammy and Regina.

Thank you to our volunteers!

We are fortunate to have a dedicated and hardworking team of parents who volunteer their time raising money and running school events such as sausage sizzles. We very much appreciate their contributions to our school community.

A very special thank you to our crèche team – Kathy and Roqia, for their continued dedication and support.
